

Hello **Cameron** Community,

We are very pleased to announce that this year we will be running an exciting new fall

Apple Fundraiser!

We have partnered up with a distinguished Okanagan orchard - **Sun-Oka Farms** - to sell their delicious farm-fresh apples. This century-old family farm has won all kinds of major awards for their fruit. **They won the prize for growing the best apples in Canada for eight straight years.**

These are the highest quality apples available anywhere.

And because we're sourcing them directly from the farm, you get to buy them at below grocery store prices. You'll get the best apples you've ever eaten... and save some money. Plus, with each box sold **Cameron Elementary** will receive \$8-10. The funds we raise are so important for providing additional school resources that will enrich and enhance our kids' academic, physical and social growth.

Click [here](#) for more information about the product and the campaign.

To go directly to the order page:

Note: the **order deadline is November 13th** and apples will be available for pick up at the school between November 19th and 21st (more details to come about exact pick up dates and times).

We hope you will consider participating in this fundraiser and sharing with your friends and family! This is a fresh and healthy product of the highest quality, and at a very good price, that you can be proud of offering to your friends and family.

Thank you for your support!
